

## ELEMENT DATA

- |                                    |                                    |
|------------------------------------|------------------------------------|
| 1. Filtration Rating :-            | 45µm Absolute -<br>Glass Bead Test |
| 2. Temperature Range :-            | Up to 120°C                        |
| 3. Element Pressure Drop Factor :- | TBD                                |
| 4. Flow Rate :-                    | 1 L/min Max                        |
| 5. Materials of Construction       |                                    |
| Hardware:-                         | All Stainless Steel                |
| Fabrication Method:-               | Welded                             |
| 6. Burst Rating :-                 | 20 bar MIN                         |
| 7. Estimated Mass :-               | 14g MAX                            |
